

## ACKNOWLEDGEMENTS

The author would like to express her sincere thanks and appreciation to her supervisor, Assoc. Prof. Narumol Vachirapatama, for her kind supervision, giving opportunity and encouragement throughout this research work. The author also would like to extend her sincere thanks to the following:

To Prof. Leena Suntornsuk and Dr. Warawut Tiyapongpattana for their encouragement and good suggestion.

To the Chemistry Department, Thammasat University for giving opportunity to pursue this research to a success.

Finally, the author would like to express her deepest gratitude to her parents for everything, loving and understanding.
